MEMORANDUM FOR: Director, Office of Training & Education
FROM: Deputy Director of Central Intelligence
SUBJECT: Defense Intelligence College

The Defense Intelligence College, located at the new DIA building, has laid out a number of courses which Lt. General Williams feels would be very helpful to CIA. These courses center on early warning and other military-type subjects. I think it would be very useful if we were able to participate in them. Suggest you tie in with DIA to see what courses would be beneficial to us.
